

`std::true_type`

The diagram consists of two rectangular boxes. The top box is white with a black border and is divided into three horizontal sections. The top section contains the text 'std::true_type', while the two bottom sections are empty. The bottom box is gray with a black border and is also divided into three horizontal sections. The top section contains the text 'cudf::is_device_span_supported_container < rmm::device_uvector < T > >', while the two bottom sections are empty. A blue arrow points from the top edge of the gray box to the bottom edge of the white box, indicating an inheritance relationship.

`cudf::is_device_span
_supported_container
< rmm::device_uvector
< T > >`
